Ready, set, match! You never associate the term *one-stop-shop* with a gym but Brooklyn has a place where you can truly get a complete workout with all the amenities. Enter MatchPoint NYC, a world-class gym in Gravesend complete with three specialized studios, offering 70 classes per week free with membership. Add an outdoor field for personal training and group classes, tennis and basketball courts, a junior olympic size pool, gymnastics studio, and a restaurant with a juice bar, the question remains: Why would you ever want to leave?
